#### With Blood Streaming From His Head, Colored Man Runs Away From Hospital.

With blood streaming from an incision in his head John Randolph, colored, thirty-two years of age, of 466 Willow Tree alley southwest, jumped from the operating table at Emergency Hospital this afternoon and ran down the street. He was captured several blocks away and returned to the hospital.

Randolph became ill at 9th street and New York avenue about noon today. A crossing policeman summoned the Emergency Hospital ambulance and he was taken to that institution. About one hour later he complained of pains in his head. Upon examination the surgeons discovered a wound in his head.

The man was placed on the operating table and the old wound was opened by a surgeon. Imbedded in the head were found several pieces of glass. As they were about to be removed Randolph suddenly jumped from the table and ran out of the building. He sped down Ohio avenue toward 14th street.
